Jens Müller, the new Commercial Managing Director of AUMUND Fördertechnik

PRESS RELEASE

New Managing Director

Jens Müller, the new Commercial Managing Director of AUMUND Fördertechnik

Rheinberg, Germany, November 2017

Since 1st October, AUMUND Fördertechnik GmbH in Rheinberg has had a new Managing Director, Jens Müller (54), who is responsible for finance, controlling, IT, HR, general admin, purchasing and production, alongside Robert Gruss, Managing Director for sales, service, technology and R&D, and Franz-W. Aumund, President.

Jens Müller has taken over from Andreas Klottka, who had carried out this role on an interim basis since Dr Volker Brandenburg took early retirement. Andreas Klottka had undertaken this role in addition to his responsibilities as Managing Director of AUMUND Holding B.V.

As well as his principal responsibilities as head of the finance and controlling functions, the new Managing Director places strong emphasis on successful procurement management, for which he believes the input from staff at the AUMUND Group subsidiaries in other parts of the world will be of paramount importance.

PRESS RELEASE

After graduating in economics, Jens Müller started his career with chartered accountants Ernst & Young in Hamburg, Germany. After seven years in auditing, Jens joined the Körber AG Holding, also in Hamburg. Over a period of 14 years under this mandate he held various positions, one of them being Chief Financial Officer of a machinery and equipment manufacturer which operated internationally. Since then Jens was Managing Director of Richter-Helm BioLogics GmbH & Co. KG, Hamburg, and of DiaExpert GmbH, before joining AUMUND Fördertechnik.

About the AUMUND Group

The AUMUND Group is active worldwide. The conveying and storage specialists have special expertise at their disposal when dealing with bulk materials. With their high degree of individuality, both its technically sophisticated as well as innovative products have contributed to the AUMUND Group today being a market leader in many areas of conveying and storage technology. The manufacturing companies AUMUND Fördertechnik GmbH (Rheinberg, Germany), SCHADE Lagertechnik GmbH (Gelsenkirchen, Germany), SAMSON Materials Handling Ltd (Ely, England), as well as AUMUND Group Field Service GmbH and AUMUND Logistic GmbH (Rheinberg, Germany) are consolidated under the umbrella of the AUMUND Group. In conjunction with the headquarters of the manufacturing companies, the global conveying and storage technology business is spearheaded through a total of ten locations in Asia, Europe, North and South America and a total of five warehouses in Germany, USA, Brazil, Hong Kong and Saudi Arabia.
